

Grasby All Saints Primary School Newsletter

Our values are:

Respect, Friendship, Perseverance, Responsibility, Kindness and Courage.

October 2026

Welcome to our latest newsletter!

It has been a busy half term already.

Your children have settled in to their new year groups already, with Year 6 already setting a shining example of modelling our values of love, respect and courage. There are excellent learning behaviours being modelled across the school.

Home reading

Please read to and with your child to improve their confidence, fluency and intonation. It really does make a difference to their learning in other subjects too. Pupils should be reading at home at least three times a week.

Sports day was a successful format, different to our summer format for this year, but the cooler weather was very welcome. The children had less time waiting around and more time being active. The throwing events were a welcome addition too, with some children showing off their new found superpowers. Our PE Lead has already planned the tweaks for next year to ensure that the event runs even smoother. Thankyou to all of our parents for supporting this event, and to FROGS for their support too.

We look forward to welcoming you to the first parent consultation evenings of this academic year on **11th and 12th November**. These will be bookable through Arbor.

If you have any comments or queries concerning your child's education or well-being please email enquiries@grasbyprimary.co.uk in the first instance.

Mrs Z Hyams, Head Teacher

EYFS Open Day

With the application window for Reception 2027 soon to be opening, we warmly invited parents/carers for both Pre-school and Reception 2027 visits to our lovely Class 1 this week.

Please spread the word to friends and family who may have missed our open day but still wish to visit, as other times for visits can be arranged.

Move to Arbor

Thank you for your patience as we move over to Arbor for our communication and booking system with our families.

If you have any monies outstanding for meals or wrap around care, we will be in touch to arrange payment. Similarly, any credits families have will have been transferred over to Arbor accounts.

Flamenco

Our Spanish Flamenco dancing workshops were a great success!

These cultural dance workshops helped to bring our Spanish lessons alive.

Uniform

We have lots of uniform in the reception area. Please come and take what you need, it is all beautifully laundered and size labelled. Donations are gratefully received.

Lost property

We also already have lots of jumpers with no names in. Funnily, our pupils can recognise jumpers by their smell, but I do not possess this skill, so please ensure your child's clothing items are labelled so that they can be returned.

Choowee Cookie Company

We are so lucky to have had the Choowee Cookie Company into school baking with our Class 3 pupils. The school smelled so wonderful. Thank you!!!!
